## Discover Engineering Summer Camp

June 24<sup>th</sup> – July 12<sup>th</sup>, 2018 (three weeks)

### Interesting Insight

Alfaisal University is a regional leader in graduating engineering students. Through interactive engagement with faculty, industry partners, and current engineering students, future engineers can learn what engineers do, and learn more about many fields of study within engineering.

### Learn it, See it, Do it

Discover Engineering is a three-weeks engineering summer camp. Participants will be introduced to many hands-on learning experiences offered by all engineering departments: Architectural, Electrical, Industrial, Mechanical, and Software Engineering. All of these areas are degree programs offered at Alfaisal University. Interaction with current students and faculty will allow students to ask questions, get answers, and be prepared for the university. Additionally there are field trips, team building and decision making activities, and personal challenge exercises. Furthermore, guest speakers from local industry will discuss career opportunities in engineering.

### Tracks

1. Engineering Design
2. Mobile Application Development

### Sample Activities

- Engineering design, 3D printing, laser cutting
- Shell Echo-Marathon & Formula cars
- Robotics, microcontrollers & electric circuits
- Mobile application development
- Visits and tours to local companies
- Team building activities
- And much more!

**Duration:** June 24<sup>th</sup> – July 12<sup>th</sup>, 2018

**Time:** 09:00 AM– 3:00 PM (Sun –Thu)

**Target Age:** High School Grades

**Gender:** Male and Female (separate camps)

**Cost:** SAR 4,000

## Registration

1. Pay the registration fee (4,000 SAR) and prepare electronic/scanned receipt:  
Bank Details  
Saudi British Bank (SABB)  
Alfaisal University  
Account Number: 154 000 111 002  
IBAN Number: SA39 4500 0000 1540 0011 1002
2. Prepare one scanned copy of the following required documents:
  - a. Registration fee receipt voucher - none refundable unless the camp reached the maximum capacity.
  - b. Proof of a school certificate
  - c. National I.D. for Saudis or Iqama for Non-Saudis
3. Complete the online Admission Application Form and upload the scanned document (as one file)
4. If all the requirements are completed, an e-mail will be sent to the student within 3 working days.

**Note:** Due to the hands on experiments and activities, space is limited, so be sure to enrol early. To reserve your space, the application form, must be received no later than **May 3<sup>rd</sup>, 2018.**
