Alfaisal University is committed to creating learning, research and working environments that are inclusive and support the needs of all members of the university community.

This University welcomes the diversity of appearance which students and visitors bring to the campus. However, there may be occasions where health and safety or professional considerations restrict certain modes of dress and the wearing of jewelry items, footwear such as, for example, when working in labs.

The Dress Code policy aims to ensure health and safety standards are met, best practice is followed, and obligations required by wearing decent respectful clothes that goes with Saudi traditions, customs, and social norms are applied and implemented.

2. Scope

The Policy applies to students in the University.

3. Key Principles

The University does not prescribe a formal dress code for students, except for students who are required to wear protective clothing, for example in laboratories and workshops. The University supports students to wear appropriate clothing. The University expects students to practice appropriate standards of personal hygiene. Students on placement visits may be required to follow dress codes as applied by the external agency, such as clinical placements in the hospitals. In the case of the latter, any professional requirements of external organizations must be followed. The University does not permit the wearing of clothes or display of badges, screensavers etc. which show obscene material. Any breach of this policy may be subject to disciplinary action.

4. Identity and visual checks

All staff and students are expected to carry University identity cards at all times whilst on campus. The University is aware that some potential applicants and visitors may wish to wear niqab– however the University reserves the right to ensure that appropriate photo identity is received, and which can be verified. A private room will be made available, where possible in order to undertake such visual checks (through the temporary removal of the niqab) by a local female member of staff. Any person asked to remove their face covering for identification purpose may be denied entry if they refuse to do so. Similar visual checks will take place on key occasions such as prior to student examinations. It is the student's responsibility to provide appropriate photo identification (e.g., University identity card or passport if the identity card is not applicable).

5. Health and Safety

Health and safety requirements may mean that, for certain tasks, specific items of clothing such as overalls, protective clothing, uniforms, footwear etc. need to be worn or other items removed. The University is responsible for the health, safety and welfare of students and others who may be affected by its work activities. Where this is compromised by the wearing of certain dress (including footwear and jewelry items) or where this is likely to enhance the risk to other persons, a risk assessment for the activity will be carried out between the wearer and the supervisor/faculty. The responsibility for the final decision will rest with the Dean of Student Affairs, Admissions, and Registrations.

6. Medical emergency

It should be noted that whenever possible medical intervention will take account of religion and cultural sensitivities. However, removal of any religious or cultural symbol, or face covering may be required. It is preferable that a female member of staff is present when a female requires medical assistance and similarly for men. All first aid staff will be made aware of this preference.

7. Placements and external agencies

Students should dress according to both the University's and the appropriate local guidelines and regulations. However, it should be noted that the University is not responsible for setting the dress code and/or wearing of symbols required by external institutions. The external dress code can include removing jewelry/symbols and making an individual's face visible to ensure effective communication.

8. Responsibilities

All students are expected to comply with this Policy. Colleges or other units hosting industry or other high-profile events at the University are responsible for advising about this Policy and compliance. All

faculty and staff are responsible for implementing this policy within their area of responsibility. The University reserves the right to take appropriate action where any breach is identified.

13. Examinations and Grades

Students are expected to meet examination schedules as determined by registrar office. Retaking final exams is not permitted. For students who missed a final exam, however, the University recognizes that unforeseen circumstances do occur and have instituted the following policies for final exam make-ups, as well as for examinations scheduled during the semester.

13.1 Make-Up Exams

Make-up Final Examinations

Alfaisal University policies do not allow students who miss their final exam to request an alternate arrangement to make-up the exam except for one of the following reasons only – medical illness, or compassionate grounds. Alternate arrangements must be made prior to the scheduled examination date and time. Unless it is an extended illness, the missed final exam must be completed as soon as possible after the scheduled exam date. The following guidelines are to be followed:

- 1. The student makes the request in writing and in a timely manner before the scheduled exam, to request an opportunity to complete a makeup exam.**
- 2. The student provides the Instructor with the required originally-signed documentation • regarding the reason he is not able to complete the test on the originally scheduled exam date. Without this documentation, the student will not be granted an accommodation to complete a makeup exam and will be assigned a zero grade for the exam. No incomplete (I) grade can be assigned in this situation.**
- 3. The makeup exam does not have to be identical to the original final exam, but it must cover the same material.**
- 4. All communications with the student must be via e-mail, with the University Registrar copied on each exchange.**

It is the instructor's responsibility to:

- **VALIDATE** (approve or refuse) the student's request and include the final exam details if approving the student's request. The Instructor will copy the Registrar on all communication with students regarding their missed final exams.
- **RETAIN** documentation provided by the student with the course records.
- **E-MAIL** the University Registrar immediately, but no later than five business days prior to the date of the final exam, with the following information for each student approved for a final make-up exam:
 1. The student's name.
 2. The student's Alfaisal University ID number.
 3. The course and section number.
 4. The duration of the final exam.
 5. A list of all the aids/resources permitted the student during the taking of the final exam.
- **COORDINATE** with the University Registrar the due date of submission of the student's final grade.
- **ASSIGN** an incomplete (IC) grade to the student if unable to grade the final exam before the final grade deadline and submit a Grade Change Authorization Form to the College Dean for approval and processing to the Office of the Registrar.

Make-up Examinations (Other than Finals)

Alfaisal University requires that students be permitted to make up examinations missed because of illness, other unavoidable circumstances or University activities. Therefore, instructors must offer reasonable options without penalty to students who have missed examinations for legitimate reasons.

It is the student's responsibility to contact the instructor as soon as possible before the exams about the reasons for a missed exam and, if the Instructor so wishes, to provide appropriate documentation.

Makeup examinations will be scheduled at a reasonable time and location. The makeup examination, if different, will be equivalent to the original in form, content, difficulty, and time limits, and the standards for scoring and grading will be equivalent to those used for the original examination.

Grade Re-evaluation Based On Exceptions to University Policy

In those cases in which the grade received by the student is the result of the University policy (e.g., an "F" resulting from failure to remove an Incomplete grade in the time allowed or failure to officially withdraw from a course) rather than a faculty member's evaluation of performance in a course, the student's written appeal must be directed to the Office of the registrar. Such appeals will be considered by registration Committee. This process cannot be used for students appealing a failing grade (F) assigned due to

academic dishonesty.

13.3 Transcripts

Official transcripts will be released only with signed authorization of the individual student. Requests for transcripts must be submitted in writing to the Office of the Registrar. The charge for each Official Transcript is SAR 100. Forms are available in the Office of the Registrar and online. Unofficial transcripts may be obtained through Netclassroom.

14. General Education Requirements (GERs)

General Education Requirements (GER) are a set of courses designed to provide students with introductory level instruction in core disciplines that broaden a student's education and are intended to develop critical thinking abilities. A student should check his/her major academic plan.

14.1 Major Field Requirements

A maximum number of designated hours will be required for individual majors, including the comprehensive examinations and/or projects and required courses offered by other departments. The requirements for majors are outlined in the University Catalogue. For established departmental majors, this authority resides with the Dean of the College. Substitutes in the general education portion of the degree requirements must be approved by the Vice Provost of Academic Programs.
