

Alfaisal University Intensive English

Online Summer High School Enrichment Program

كلية العلوم والدراسات العامة
College of Science & General Studies

Course Objectives

- To improve all-round confidence in using English communicatively
- To develop and practice knowledge of English vocabulary and grammar
- To develop and practice academic listening, reading and writing skills
- To build on critical thinking, research and presentation skills
- To learn key study skills, and prepare for tutorials and lectures at university
- To introduce IELTS test taking skills in speaking, listening, reading and writing

This course focuses on speaking, reading, listening and writing in the English language. The tips and techniques will help improve your English speaking and build techniques to help you succeed academically and in your professional life.

How will I benefit

In today's world, the ability to demonstrate effective research skills and speak confidently are vital for achieving academic and professional success. Our research and presentation projects

are central to our Intensive English course. Students will practice analyzing sources and selecting relevant information, learn to think critically about current issues and arguments, and work together to create and prepare engaging presentations to deliver in front of their peers.

Target Audience

High school male and female students in grades 9 to 12

Dates & Timing

Date: June 14 - July 2, 2020, Sunday to Thursday

Time: 12:00 PM - 4:00 PM

Location

Online Classes

Cost: 2250 SR

Program Description

Online Intensive English has been designed for students who wish to improve their English both generally and for academic purposes. We use an interactive and collaborative methodology in our lessons so that our students can improve their ability to effectively communicate and participate in lectures and tutorials. Furthermore, our focus on 21st century skills helps students to develop their ability to research and critically analyze academic topics, as well as build their confidence in delivering presentations.

وصف البرنامج

تم تصميم برنامج اللغة الإنجليزية المكثف عن بعد للطلاب الذين يرغبون بتحسين لغتهم الإنجليزية بشكل عام والأكاديمية بشكل خاص عن طريق أساليب تفاعلية وتعاونية ومنهجية تمكن الطلاب من تحسين قدراتهم على التواصل بشكل فعال والمشاركة في المحاضرات والبرامج التعليمية بشكل أكثر فاعلية. علاوة على ذلك، يساعد تركيزنا على المهارات المطلوبة لسوق العمل في القرن الحادي والعشرين الطلاب على تطوير قدرتهم على البحث والنقد وتحليل الموضوعات الأكاديمية، وكذلك بناء ثقتهم في تقديم العروض المختلفة بطريقة احترافية.
